POLICY NOTES

The policy of this event is to promote success in School and Junior Club Sculling

1. J16 quad sculls should indicate whether they will be coxed or coxless; medals will be awarded in both categories if numbers are sufficient.
2. The total number of crews will be limited. Acceptance will be in order of receipt.
3. In recent years entries have closed before the closing date due to events being full. Please enter early to avoid disappointment.

CATERING Snacks will be available from the Park's own caterers.

PRIZES

Crew: Winning crew only in each age group, provided at least 2 crews start  
Single: Winner; also 2nd and 3rd provided at least 6 crews start

Team: School/Club gaining the lowest aggregate time over the full course with any 4 scullers in different events

## ENTRIES    **Entries will only be accepted through OARA**

For the purpose of creating a start order it is important that rowing coaches make clear the relative ability of the members of their sculling teams by identifying them as 'a', 'b', etc - with 'a' being the fastest sculler in any status.

The Entry fee of £10.00 per competitor must be paid by cheque to the entries secretary before the closing date for entries.

An additional (and separate) cheque equal to £10 per club for up to three boats entered, and £20 per club for those entering more than 3 boats, must be included to cover the deposit for empacher numbers. This will be refunded if numbers are returned after the event, or £3 per number will be deducted for each unreturned number.

No entry will be considered valid until cheques have been received.

Entries must be made by 5 pm on Wednesday 3<sup>rd</sup> November 2010. **We have been oversubscribed for many years running, with entries closing up to 10 days before the closing date in recent years – please enter early.**

**We are ONLY using OARA.** No paper entries will be accepted!

### **PLEASE READ THIS.**

Dear Coach

Pangbourne Sculls has grown considerably over the years and this year will be raced in two divisions. The decision to remove Division 2 was taken after much consultation and consideration. It is understood that there will be some disappointed schools and clubs who will have younger scullers unable to compete as a result of this decision. However, we are looking seriously at the possibility of creating an entirely separate event for J13s and under. The Committee would welcome feedback as to whether there would be interest in either a head race or invitational regatta for this age group.

In recent years the number of entries has far exceeded our limits for the day. We therefore reserve the right to refuse entries (on a first come first served basis) if numbers exceed our expectations.

The first division races at 10.30 am. Please note that this will require boating between 9.00 and 10.00, which in turn means that you must arrive no later than 8.45 - earlier if you have a large team.

For all divisions coaches must boat their scullers in time to reach the start well before the race time. It is unfair to those who do boat on good time if they are delayed by clubs who do not attempt to boat early enough.

We urge you also to consider the abilities of your scullers. Whilst we wish to provide good racing for all, it is apparent that some clubs are still entering competitors who are insufficiently competent to race in such an event. They reduce the enjoyment of the race and in some cases are a danger to themselves and other competitors. Please therefore: enter all competitors/ crews you wish to race, but only if you are totally satisfied with their competence.

Over recent years it has been necessary on two occasions to cancel the race due to adverse river conditions, with Division 2 last year being cancelled for this reason. Please keep a close eye on the event website in the week preceding the event for any late changes.

We look forward however to good racing conditions at Pangbourne, and wish you an enjoyable day's racing.
